Ask a question

Participants will be muted by default.

A 10-min Q&A session is envisaged after each of the two presentations/sessions. Please use the chat box on the right side of your screen to submit your question during each session.

Please find here a short list of the technical problems that you may have:

- You cannot reach the virtual room via Webex desktop application or Webex web application due to security restrictions on your local server.

Solution: please join us by phone with your local toll number (please check out this link with a list of numbers according to your country code: [Global call-in numbers](#)).

- You have reached the meeting room, but the features of the room seem limited. You cannot interact with any participant.

Solution: please try with another web browser. WebEx works with Microsoft Edge, Microsoft Internet Explorer, Mozilla Firefox and Google Chrome.

Please join the webinar five-ten minutes ahead of schedule to allow for technical support if needed.

In case you face any other technical issue, please contact HOME-A2@ec.europa.eu
