Join the event

You can join the meeting by clicking on the green button “join the event” or “join the meeting” that you will receive in the confirmation e-mail. There is no need to have a Webex account to join the event that you are invited to.

Join meeting

Alternatively, you can join via (mobile) phone by calling the numbers that you can also find in your registration confirmation.

For more information on how to join from browser, Webex application or phone, please click [here](#).

Ask a question

Participants will be muted and their webcams will be switched off by default.

One Q&A session is planned after the key note speeches and the presentation on alternatives to detention in international and EU law (10:20 – 10:30), another Q&A session is foreseen after the session on emerging good practices and pilot projects (11:30 – 11:45). Please use the chat box on the right side of your screen to submit your question during each session.

Don't forget to introduce yourself before typing the question in the chat box, and please indicate to which speaker the question is addressed. During the webinar a number of questions will be answered live. We will address as many questions as possible within the foreseen time limit.

Technical problems you may encounter and possible solutions

- You cannot reach the virtual room via the Webex desktop application or Webex web application due to security restrictions on your local server.
