

EMN Training: Getting to know the EMN

Invitation

European Migration Network (EMN)

2 June 2021, 11.00 – 15.30 (CEST)

We are pleased to invite you to join the upcoming EMN Training on “Getting to know the EMN” which will take place on **2 June 2021** from 11.00 (CEST).

What is the EMN? How does it operate? Who is involved? And how can I engage with the EMN?

The “Getting to know the EMN” open day on 2 June 2021 will offer participants the opportunity to find answer to these questions and more.

The first day of the training event will be delivered virtually through a modular programme with two modules in the morning and two in the afternoon. This will enable participants to choose which modules to join according to their specific needs and interests.

With this initiative, we aim to inform you on:

- ✓ The structure and role of the EMN and how it fits into the wider migration and asylum landscape at national, EU and international levels.
- ✓ EMN activities and what we do to optimise their added value.
- ✓ EMN processes and principles of collaboration.
- ✓ Ways to engage with the EMN.

This workshop is for:

- ✓ DG HOME Policy Units and EU Agencies involved in activities of the EMN.
- ✓ NGOs and International Organisations involved in activities of the EMN.
- ✓ Existing and potential external partners that want to cooperate more closely with the EMN and develop joint outputs.
- ✓ Staff who have recently joined an EMN NCP or EMN Expert Group (the EMN REG, the INFO Working Group, and Statelessness Platform), or the EMN Service Provider team
- ✓ Staff from newly established EMN NCPs (in 2021, Georgia and Moldova).
